Emergency Medicine Leadership Sessions

**Monday June 15**

**11.00 to 12.00**  
*Everyday Leadership: Secrets of Great Minds Through the Ages*  
Dr. Amal Mattu

**13.00 to 14.00**  
*Crisis Performance, Oxigenation and Using a Knife to Save a Life*  
Dr. Richard Levitan

**14.00 to 15.00**  
*Present, pass and future of the Emergency Medicine*  
Dr. Judith Tintinalli

**15.30 to 16.30**  
*Education up to date 2020*  
Dr. Rob. Rogers

**16.30 to 17.30 PM**  
*Strengthening emergency care systems: WHO resources for assessment and implementation*  
Dr. Terry Reinolds

**Tuesday June 16**

**09.30 to 10.30**  
*Women in EM*  
Dr. Judith Tintinalli

**11.00 to 12.00**  
*Incrementalized Direct and Video Laringoscopy*  
Dr. Richard Levitan

**12.00 to 13.00**  
*Unrecognized Killers in Emergency Electrocardiography*  
Dr. Amal Mattu

**14.00 to 15.00**  
*Stroke and Emergency Medicine: 25 years of controversy*  
Dr. Andy Jagoda

**15.00 to 16.00**  
*Barriers to Career Enthusiasm*  
Dr. William Mallon

**16.30 to 17.30**  
*International Snakebite Injuries*  
Dr. Rick Blum

**16.30 to 17.30 - Room B**  
*Make it Happen - EM a global specialit*  
Gautam G Bodiwala

**Wednesday June 17**

**09.30 to 10.30**  
*Critical Care: Up to date 2020*  
Dr. David Farcy

**11.00 to 12.00**  
*Blood pressure goals in neurologic disasters*  
Dr. Evie Marcolini

**12.00 to 13.00**
Marijuana Update 2020

Dr. William Mallon

14.00 to 15.00
Terrifying Tachycardias, Blocks and Bradycardia

Dr. Susan Torrey

15.00 to 16.00
The importance to international EM systems of the growing geriatric demographic around the world.

Don Melady and Kevin Biese

16.30 to 17.30
Lessons from an Academic Professor

Dr. Gregory Luke Larkin
## Airway
### English
#### Track 1
- **Graham** Colin
- **Galletta** Gayle
- **Marcolini** Paul

**Tuesday 16, 16.30 to 17.30, Room D**
- Airway in trauma
- To intubate or not, that is the question
- Pediatric Airway

#### Track 2
- **Kwan** James
- **McCarthy** Sally
- **Menendez** Edgardo

**Wednesday 17, 14.00 to 15.00, Room D**
- Taking my breath away: laryngeal injury and upper airway injuries
- Surgical airway management in victims of trauma The ANZ Airway Registry
- Airway in critical patients

#### Track 3
- **Vipond** Joe
- **Dilek Çakal** Elif

**Approach to Drugs, Thursday 18, 09.30 to 10.30, Room C1**
- Evidence-based analgesia
- Update on tranexamic acid

#### Track 4
- **Wong** Evelyn
- **Mufarrij** Afif Jean
- **Vipond** Joe

**Errors in EM. Thursday 18, 11.00 to 12.00, Room B**
- Cognitive Errors in Emergency Medicine practice.
- Practical MD Advocacy

### Spanish
#### Track 1
- **Mauro** Guillermo
- **Menendez** Edgardo
- **Tisi** Estefano

**Tuesday 16, 15.00 to 16.00, Room C2**
- The airway in trauma: is it a drama?
- The two enemies of the airway: Hypoxemia and hypotension
- RSI every day I love you more

#### Track 2
- **Mauro** Guillermo
- **Menenedez** Edgardo
- **Buitrago** Oscar

**Wednesday 17, 15.00 to 16.00, Room C2**
- Video Low-cost laryngoscopy is possible?
- Laryngoscopy the Hit of ICEM: Despacito
- Airway catastrophes: real life stories

## Cardiological Emergencies
### English
#### Track 1
- **Tomaszewski** Christian
- **Swee Han** Lim
- **Stiell** Ian

**Monday 15, 16.30 to 17.30, Room E**
- New Anticoagulants & Reversal
- Use of high sensitive troponin and heart score in risk stratification of chest pain patients
- Modern ED Management of Acute Atrial Fibrillation

#### Track 2
- **Tomaszewski** Christian
- **Levy** Phillip
- **OOI** Shirley

**Tuesday 16, 14.00 to 15.00, Room B**
- Chest Pain (NSTEMI)
- Elevated Blood Pressure in the ER - When is it Truly an Emergency?"
- How Not to be Tricked by ECGs in your ED Practice

#### Track 3
- **Levy** Phillip
- **Alblaihed** Leen
- **Heng** Derek

**Wednesday 17, 12.00 to 13.00, Room B**
- Acute Heart Failure Care in 2020 - Has Anything Changed?
- Syncope
- VT: how to avoid missing the beat

### Spanish
#### Track 1
- **Piñera** Pascual
- **Santelices** JL
- **Fosco** Matias

**Monday 15, 15.30 to 16.30, Room C3**
- Atrial Fibrilation -2020 Update
- Acute Pulmonary Edema in 2020
- Acute coronary syndrome - 2020 update

#### Track 2
- **Tapia** Daniel
- **Moya** Francisco
- **Rodríguez** Marcelo

**Wednesday 17, 09.30 to 10.30, Room C2**
- Aortic dissection
- Syncope management in the Emergency Department
- Hypertensive emergencies. How to treat them. New drugs
**Cardiopulmonary Resuscitation (CPR)**

**English**

**Track 1**
- Davies Ffion
- Cheema Baljit
- Wells Mike

Tuesday 16, 09.30 to 10.30, Room E
- Sudden arrhythmic death in children and young adults
- Resuscitation of children in LMIC – what is different?

**Track 2**
- Alblaihed Leen
- Blun Rick
- Weinstock Michael B.

Tuesday 16, 11.00 to 12.00, Room B
- How echo is vital in moribund patient
- Lightning Injuries
- How to spot the well appearing patient who will soon be dead – 30

**Track 3**
- Swee Han Lim
- Darin Wong Kwanhathai
- Cabanas Jose

Wednesday 17, 15.00 to 16.00, Room B
- Updates on Advance Life Support Science and Guidelines
- Out of Hospital Cardiac Arrest
- Resuscitating Resuscitation: 2020 Ways to Manage Out-of-Hospital Cardiac Arrest

**Spanish**

**Track 1**
- Fosco Matías
- García Dario
- Giménez Francisco

Monday 15, 16.30 to 17.30, Room C3
- Cardiopulmonary resuscitation. 2020 up-date Part 1
- Cardiopulmonary resuscitation. 2020 up-date Part 2
- Post-cardiopulmonary arrest syndromes

**Track 2**
- Aguilera Silvio
- Rosas Fabián
- Enrique Nilsa

Wednesday 17, 16.30 to 17.30, Room C2
- Sudden death
- CPR should be done in Trauma?
- Role of the Emergentologist in the procurement of organs for transplants

**Disasters**

**English**

**Track 1**
- Kapur Bobby
- Kazzi Antoine

Monday 15, 13.00 to 14.00, Room E
- Emergency Public Health and Disaster Medicine
- Mass Casualty Management in the Emergency Department
- New Frontiers of Disaster Medicine

**Track 2**
- Revue Eric
- Lin Janet
- Tenner Andrea

Tuesday 16, 09.30 to 10.30, Room D
- Organisation and management of hospitals to terrorist attacks
- Importance of community education in disaster risk reduction
- Emergency care systems and system resilience/disaster preparedness

**Spanish**

**Track 1**
- Loro Chero Luis
- González Juan
- Laica Nelson

Tuesday 16, 16.30 to 17.30, Room C2
- Hospital organization for responses to mass emergencies or disasters
- Mary Hurricane. Learned lessons. Hospital Puerto Rico University
- Hospital Incident Command System

**Education in Emergency Medicine**

**English**

**Track 1**
- DeVos Liz
- Totten Vicken

Tuesday 16, 15.00 to 16.00, Room D
- Getting faculty promoted—what’s new in faculty development
- Teaching the Adult Learner at the Bedside

**Track 2**
- DeVos Liz
- Lateef Fatimah
- Mondoux Shawn
- Abu-Laban Riyad B.

Wednesday 17, 11.00 to 12.00, Room E
- Building an effective teaching portfolio
- Simulation for low resource countries
- Leveraging your training program to achieve clinical improvements -- developing a Quality Improvement and Patient Safety curriculum
- Experience from a 1 Month Research Education Rotation for EM Trainees

**Track 3**
- Watson Mary-Lynn
- Heng Derek
- Andrade Marcus

Wednesday 17, 12.00 to 13.00, Room E
- Evaluation in Competency Based Education
- 5 pitfalls in clinical teaching
- Applying “Entrustable Professional Activities” to Emergency Medicine Residency Curriculum Program

**Track 4**

Moderator:
- Kwan James

Thursday 18, 11.00 to 12.00, Room A
- Meet the Authors - The IFEM Research Primer
- Meet the Experts - Educational design in EM
Emergencies in the environment and remote locations

**English**

**Track 1**
- McCarthy, Sally
- Chochinov, Alec
- Kole, Tamorish

**Tuesday 16, 11.00 to 12.00, Room D**
- Trauma in the rural environment: How to prepare for it
- Emergency care to remote communities in geographically dispersed
- Climate Change and Emergency Medicine - Challenges and Opportunities

**Track 2**
- Hudson, Korin
- Chochinov, Alec
- Tupesis, Janis P.

**Wednesday 17, 15.00 to 16.00, Room E**
- Exertional heat illness
- Drowning and hypothermia
- Altitude Illness

**Spanish**

**Track 1**
- Ruggeri, Wendy
- Buitrago

**Thursday 18, 11.00 to 12.00, Room C3**
- Lessons learned in Tactical Medicine to use in remote places
- Heat stroke: creeping keeler

Emergency Medicine for Nursing

**English**

**Track 1**
- McDaid, Fiona

**Wednesday 17, 16.30 to 17.30, Room C1**
- The Irish Children’s Triage System

**Spanish**

**Track 1**
- Gorjon, Esther

**Monday 15, 13.00 to 14.00, Room C3**
- Professional profile of emergency nursing, in Spain

Emergency Medicine in the World

**English**

**Track 1**
- Cameron, Peter
- Arbelaez, Christian
- Patiño, Andres

**Wednesday 17, 12.00 to 13.00, Room C1**
- Is there a future for emergency medicine?
- ACEP International Engagement and the Ambassador Program
- Mapping Emergency Medicine Development in 60 Countries: EM as a World-Wide Specialty

**Track 2**
- Hernandez, Cristina
- Diercks, Deborah
- Hickey, Fergal G.

**Thursday 18, 12.00 to 13.00, Room A**
- Human trafficking in the ED
- History of USA emergency medicine
- The Emergency Medicine Programme - Ireland’s journey to a national blueprint for EM

Geriatric Emergencies

**English**

**Track 1**
- Dwyer, Rosamund
- Cardona, Magnolia
- Lewis, Ebony
- Thaur, Arjun

**Monday 15, 15.30 to 16.30, Room E**
- Prehospital care of older people: a clinical continuum
- Tools to identify risk of death and frailty among older ED patients
- The Geriatric Emergency Physician in Acute Older Person’s Unit

**Track 2**
- Castren, Maaret
- Botha, Martie
- Sinclair, Doug

**Wednesday 17, 16.30 to 17.30, Room E**
- EMS Assessment of Risk of Malnutrition, Falls and Cognitive Impairment in Older Community-dwelling People
- Pain in the Elderly: What can we do about it?
- The Senior Friendly ED within the Health System: How to advocate for change

**Spanish**

**Track 1**
- Moya Alejando
- Aguilera Pablo
- Bañuelos Ricardo

**Monday 15, 14.00 to 15.00, Room C3**
- Geriatric diagnoses not to miss: Back pain that kills
- Abdominal emergency in the Older ED Patient
- The tip of the iceberg: falls in the elderly
Infectious Emergencies

English

Track 1
Martes 16.30 a 17.30 Salon C1
Shaffermeyer Robert  Bacterial Meningitis in Children
Cruz Menoyo Priscilla  Leptospirosis in low resource settings

Track 2
Wednesday 17, 09.30 to 10.30, Room C1
Tenner Andrea  Viral hemorrhagic fevers like Ebola
Hirshon Jon Mark  A Virus to die for: Influenza 2020

Spanish

Track 1
Monday 15, 15.30 to 16.30, Room C2
Fretes Ariel  Comprehensive management of Dengue in Emergency Rooms
Jimenes Agustin  Pneumonia up to date 2020
Galvalisi Nazaren  Measles up to date 2020

Informatic

English

Track 1
Monday 15, 11.00 to 12.00, Room D
Moderator: Tom Hughes

International Emergency Medicine

English

Track 1
Monday 15, 16.30 to 17.30, Room D
Mulligan Terry  Global Emergency Medicine
DeVos Liz  Starting & operating a national society: beyond the incorporation papers
Geduld Heike  Emergency Medicine Development in Africa

Track 2
Tuesday 16, 12.00 to 13.00, Room D
Reuben Shari Catherine  Rise of a new dream and the power of passion: Lessons from Tanzania
Convocar Pauline  Public Health in EM: Advocacies of the Philippine College of Emergency Medicine

Track 3
Tuesday 16, 14.00 to 15.00, Room D
Da Rocha Freitas Ana Paula  Developing EM in Brazil
Friedman Vidor  Pass, Present and Future of the ACEP
Kivela Paul  The Importance of Leadership
## The emergency Medicine in LATAM

### Spanish

**Track 1**  
Grajales  
Tuesday 16, 09.30 to 10.30, Room C2  
Diego  
Historical evolution of emergency medicine in Venezuela, brief historical account  

Arnaud  
The history of the Emergency Medicine in Brazil  
Frederico  
Past, present and future of EM in Chile  

**Track 2**  
Enberg  
Tuesday 16, 11.00 to 12.00, Room C2  
Luis  
Past, present and future of EM in Brazil  

Arroyo Quispe  
Past, present and future of EM in Peru  
Carlos  
Saavedra  
Past, present and future of EM in Mexico  
Javier  
Doldan  
Past, present and future of EM in Paraguay  
Cristian  

**Track 3**  
Buitreño  
Wednesday 17, 16.30 to 17.30, Room C3  
Oscar  
Past, present and future of EM in Costa Rica  

Rosas  
Past, present and future of EM in Colombia  
Fabian  
De la Cruz  
Past, present and future of EM in Republica Dominicana  
Sara  

**Track 4**  
Ulloa  
Thursday 18, 09.30 to 10.30, Room C2  
Carolina  
Past, present and future of EM in Nicaragua  

Orellana  
Past, present and future of EM in El Salvador  
Carlos  
Laica  
Past, present and future of EM in Ecuador  
Nelson  

### English

**Management of critical patients**

**Track 1**  
Lim  
Monday 15, 14.00 to 15.00, Room E  
Steven  
Fluid resuscitation in the critically ill: Which type? How much?  

Eriksson  
The advantages of a traditional method for blood sampling and pharmacological treatment in the critically ill  
Mats  

Baez  
2020 Update on the Critical Care Continuum: From the Streets to the ICU (based on my research)  
Amado  

**Track 2**  
Lim  
Tuesday 16, 12.00 to 13.00, Room B  
Andrew  
Global Early Critical Care in LRS: Where we are and Why we care  

Firew  
Global Burden of Injury  
Tsion  
Kivlehan  
Key Literature Review in Early Critical Care in LRS  
Sean  

**Track 3**  
Bellou  
Wednesday 17, 12.00 to 13.00, Room D  
Abdelovahab  
Hypoxic Respiratory Failure in LRS 1  

Calderon  
Ultrasound for Diagnosis and Management of Hypoxic Respiratory Failure  
Georgina  
Laytin  
Hypoxic Respiratory Failure in LRS 2  
Adam  

**Track 4**  
Maruno  
Wednesday 17, 16.30 to 17.30, Room D  
Kevin  
ECMO in cardiac arrest (2CHEER trial experience)  

Macias  
Raising the dead: ECMO in the ambulance, and the mountains  
Darryl  
Jakubaszko  
Early Intensive Care as the growing challenge for emergency department clinical practice  
Juliusz  

### Spanish

**Track 1**  
Peralta  
Tuesday 16, 14.00 to 15.00, Room C2  
Hugo  
Cardiological dysfunction in sepsis: diagnostic characterization and prognostic significance  

Sánchez  
Decision making in the initial resuscitation of the critical patient  
Daniel  
Santelices  
ECMO in cardiopulmonary resuscitation. Experience in Las Condes Clinic  
J.L:  

**Track 2**  
Alencar  
Wednesday 17, 15.00 to 16.00, Room C3  
Julio  
Sepsis up to date 2020  

Doldan  
Central venous catheter is necessary?  
Christian  
García  
PET, What should the Emergency Physician know? New Guides  
Abel  

**Track 3**  
Peralta  
Thursday 18, 09.30 to 10.30, Room C3  
Hugo  
Hidden pulmonary hypertension  

Mohamed  
Inappropriate resuscitation of the hemodynamically unstable patient  
Marcela  
Tonnelier  
Inotropic support, selection and rational use  
Matias
### Management, leadership and administration in the Emergency Department

#### English

**Track 1**
- **Tuesday 16, 15.00 to 16.00, Room C1**
  - Hogan Barbara  
  - Jouriles Nick  
  - Tupesis Janis P.

**Track 2**
- **Wednesday 17, 11.00 to 12.00, Room D**
  - Hassan Taj  
  - Hirshon Jon Mark  

**Track 3**
- **Wednesday 17, 15.00 to 16.00, Room D**
  - Fares Saleh  
  - Kivela Paul  
  - Heringhau Shaw

**Spanish**

**Track 1**
- **Monday 15, 11.00 to 12.00, Room C3**
  - Machado Alberto  
  - Cohen Eliecer  
  - Díaz Soto Edgard

**Track 2**
- **Wednesday 17, 09.30 to 10.30, Room C3**
  - Gutiérrez Cruz Juan Manuel  
  - Juscamayta Tabraj Maribel Liliana  
  - Rosas Fabián

#### Neurological and Behavioral Emergencies

#### English

**Track 1**
- **Monday 15, 15.30 to 16.30, Room D**
  - Jagoda Andy  
  - Tiru Mohan  
  - Eagles Debra

**Track 2**
- **Tuesday 16, 15.00 to 16.00, Room E**
  - Jagoda Andy  
  - Zun Leslie  
  - Dubosh Nicole

**Track 3**
- **Tuesday 16, 16.30 to 17.30, Room E**
  - Larkin Gregory Luke  
  - Hoyer David  
  - Knott Jonathan

**Track 4**
- **Wednesday 17, 09.30 to 10.30, Room D**
  - Lo Bruce  
  - Sun Shusen  
  - Muir Owen

#### Spanish

**Track 1**
- **Monday 15, 16.30 to 17.30, Room C2**
  - Tapia Daniel  
  - Fretes Ariel  
  - González Juan

**Track 2**
- **Wednesday 17, 12.00 to 13.00, Room C3**
  - Navea Carrasco Oscar  
  - Alencar Julio  
  - Montes Mariana
New and Advanced Technology in Emergency Medicine

**Track 1**

**Tuesday 16, 14.00 to 15.00, Room C1**

**Waligora** Grzegorz

- How New and Advanced Technology Application can change Emergency Medicine Globally?

**Kollek** Daniel

- A review of cyber security in the ED in Canada

**Waisman** Hezi

- 10-year experience with the pediatricians on line service in Israel and technologies - a new device that enables a physical examination from the remote

### Oncological emergencies

**English**

**Track 1**

**Tuesday 16, 11.00 to 12.00, Room C1**

**Alagappan** Kumar

- SVC syndrome

**Gaeta** Susan

- Pain management

**Brock** Patricia

- Leukemia

**Track 2**

**Wednesday 17, 15.00 to 16.00, Room C1**

**Cross** Anthony

- End of life issues in the Emergency Department

**Alagappan** Kumar

- Difficult conversation

**Gaeta** Susan

- Tumor lysis

### Pediatric Emergencies

**Track 1**

**Monday 15, 11.00 to 12.00, Room C1**

**Gausche-hill** Marianne

- Pediatric Readiness of Emergency Departments

**Shaffermeyer** Robert

- Quality Improvement in Pediatric Emergency Departments

**Barata** Isabel

- Integration of Decision Tools Into Electronic Medical Record for Early Identification of Injuries in Child Maltreatment

**Track 2**

**Monday 15, 13.00 to 14.00, Room C1**

**Waisman** Hezi

- Pediatric Triage and Preparedness for Mass Casualty Incidents

**Cordle** Randolph

- Upper Airway Emergencies in Children

**Lim** Rodrick

- Updates in Pediatric Resuscitation

**Track 3**

**Wednesday 17, 11.00 to 12.00, Room C1**

**Babl** Franz

- Bronchiolitis: Latest evidence and how to change practice

**Cantor** Richard

- Evidence Based Pediatric Emergency Medicine: Are You Practicing It?

**Dalziel** Stuart

- Global PEM research: What PEM research networks are currently working on

**Track 4**

**Thursday 18, 11.00 to 12.00, Room C1**

**Cheema** Baljit

- Global Child Survival: What can Emergency Medicine do to advance care in the Sustainable Development Goals era

**Santhanam** Indumathi

- Fluids in Pediatric Trauma Resuscitation: An age old

**Gutierrez** Camilo E.

- Pediatric Trauma: When to Consider Damage Control Approach, Massive Transfusion, Tranexamic Acid

**Spanish**

**Track 1**

**Monday 15, 14.00 to 15.00, Room C2**

**Estrada**

- Cardio-cerebral resuscitation in the child

**Monterroza** José María

- Septic shock

**Prego** Javier

- Utility of POCUS in Pediatric Emergencies

**Yock** Adriana

- 

**Track 2**

**Tuesday 16, 11.00 to 12.00, Room C3**

**Pavlicich** Viviana

- Myths and customs we resist changing in pediatric emergencies

**Galvis** Laura

- Quality Improvement in Pediatric ED

**Caceres** Liliana

- Findings of the RFSEPLA Survey - Resources and Operation of Pediatric Emergency Services of Latin-America

**Track 3**

**Tuesday 16, 12.00 to 13.00, Room C3**

**Castrucci** Ana maria

- Infant with inconsolable crying in the PED

**Bilikis** Manuel

- Community Acute Pneumonia - Diagnosis in the PED

**Figueroa Uribe** Flavio

- Pediatric trauma and Terrorism.
Public Health

English

Track 1
Kazzi Ziad
Egerton Warburton Diana
Hargarten Stephen

Monday, 15, 14.00 to 15.00, Room C1
Management of Radiation Terrorism
A Sustainable Model for a Health Promoting ED
Gun Violence in the Americas: Violence Reduction using the Cardiff Cities Model

Track 2
Jones Austin
Zebari Karwan
Moreno Lisa

Tuesday, 16, 12.00 to 13.00, Room C1
Declaring an Epidemic: How the WHO Works with Governments to Prevent Pandemics
Recovery from Terrorism: How the Kurdistan Regional Government is Recovering their Public
The Social Determinants of Health: How Microaggressions & Stress Erode the Health of Immigrants

Pre-hospital medicine and rescue

English

Track 1
Cameron Peter
Nyirenda Mulinda

Monday, 15, 11.00 to 12.00, Room E
Optimising Emergency Medical systems
Triage: some insight to experience in designing and implementing and improving performance in emergency care systems

Track 2
Ducharme James
Marcolini Paul
Imacis Darry

Tuesday, 16, 12.00 to 13.00, Room E
Point of Care in the ED and prehospital
A Decade Of Change: A Rural EMS System Experience
Impromed medicine tricks-saving lives where there is no hospital

Track 3
Jamaludidin Sabariah Faizah
Karim Sarah

Wednesday, 17, 09.30 to 10.30, Room E
Pre-hospital Trauma Care in Malaysia
Prehospital care finances in government run ambulance service

Spanish

Track 1
Costa Gaston
Buitrago Oscar
Falkenstein Karen

Monday, 15, 13.00 to 14.00, Room C2
Tactical Medicine Up to date 2020
Toratomy in Pre-hospital. When is it the only option?
Lessons learned from the implementation of a pilot project to form trainers in prehospital EM care outside of a capital city in Southern Peru

Track 2
Aguilera Silvio
Enberg Luis
Falkenstein Karen

Wednesday, 17, 11.00 to 12.00, Room C2
Spinal cord restriction
Cervical spine trauma
EMS at twelve-thousand feet: exploring challenges for emergency medical transport in rural Chivay, Peru

Research in Emergency Medicine

English

Track 1
Stiell Ian
Totten Vicken
Levine Adam C.

Tuesday, 16, 14.00 to 15.00, Room E
How to Write a Scientific Manuscript
Research Design in Low budget departments
Research in Global EM

Respiratory emergencies and Assisted mechanical ventilation

Spanish

Track 1
Tapia Daniel
Piñera Pascual
Rodriguez Marcelo

Tuesday, 16, 14.00 to 15.00, Room C3
Mechanical ventilation in the emergency
COPD
DVT/PTE in emergencies. New diagnostic and treatment strategies

Track 2
Piñera Pascual
Doldán Christian

Wednesday, 17, 14.00 to 15.00, Room C2
Asthma
Non-invasive mechanical ventilation in emergencies
**Shock, Sepsis**

**English**

**Track 1**

Weinstock Michael B.  
Kumar Srinath  
**Tuesday 16, 09.30 to 10.30, Room B**  
Critical care bouncebacks  
CODE Sepsis

**Track 2**

Schneider Sandy  
Petino Roberta  
**Wednesday 17, 16.30 to 17.30, Room B**  
Management of sepsis in the ED: 2-3 tips to increase effectiveness

**Track 3**

Kivlehan Sean  
Calderon Georgina  
Bellou Abdelovahab  
**Thursday 18, 09.30 to 10.30, Room B**  
Shock in Low Resource Settings (LRS)  
Ultrasound for Diagnosis and Management of Shock  
Shock in LRS 2

**Spanish**

**Track 1**

Loro Luis  
McDermott Manrique Umana  
Mauro Guillermo  
**Monday 15, 11.00 to 12.00, Room C2**  
Fluids in the septic shock  
Lactate in sepsis: what does it really mean?  
Anaphylactic shock: Up to date 2020

**Specialty Implementation Committee**

**English**
